SUPPLIER PROFILE SEARCH

The Supplier Profile Search capability allows buyers to find relevant Suppliers to include them in **Selective Tenders,** or to shortlist them in **Reusable Supplier Lists** for later use.

The Search allows filtering on many criteria over the entire supplier profile, including:

- Basic Information
    - Names; Email addresses; Legal/Trading names; ABN
- Social Procurement
    - Small-Medium Enterprises (SME); Regional / Rural businesses; Female-owned business; People with disability; Culturally and linguistically diverse; Aboriginal and Torres Strait Islander
- Demographics
    - Business size; Organisation type
- Profile
    - Keyword searching on all or one of – Accreditations, Assets, Awards and prizes, Capability, Overview, Insurances, Licences, Projects, Rate Card; Minimum cybersecurity compliance
- Location
    - Post code; Principal business location (All / SA / Outside SA)
- Business Interests and Capability Categories
    - UNSPSC categories; Saved search keywords
- Administrative
    - Registration date range

For detailed descriptions of each of the criteria, please refer to **Section 46** of the **Agency Admin User Guide**.
