

# INVITATION

## Office of the Industry Advocate

### **'Meet the Buyer' Event – Goods and Services**

**Date: 13 November 2013, 8.30am – 2.00pm**

**Venue: Adelaide Oval – Members Dining Room  
Level 3, Western Grand Stand**

The role of Industry Participation Advocate (IPA) is to ensure local businesses leverage maximum opportunities from the State Government's \$3.8 billion annual spend in goods and services and through the Government's portfolio of building and construction projects.

An important part of this role is to build the awareness across Government agencies about what South Australian companies have to offer.

In order to achieve this, the Office of the Industry Advocate is running a series of **Meet the Buyer** events each year with the support of BrandSA and a number of industry associations.

You are invited to attend this **Meet the Buyer Event – Goods and Services** to be held on **13 November 2013** where you will have the opportunity to meet face to face with senior buyers, project managers and procurement staff to present your company's capabilities and discuss how you can assist government agencies to meet their purchasing and contracting needs. This event also presents government staff with the opportunity to learn about products and services they were not previously aware which may be utilised effectively in State Government projects.

Topics your company may choose to discuss with senior agency staff may include product and services for:

- Property maintenance
- Consultancy and advisory
- Transport
- Human resources and employment
- Health and nutrition
