Naracoorte Town Hall, 95 Smith Street, Naracoorte

Hosted by the Office of the Industry Advocate (OIA) in conjunction with the South East Local Government Association (SELGA).

The Office of the Industry Advocate and the South East Local Government Association invite you to attend the Limestone Coast Regional Meet the Buyer event.

The successful 'Meet the Buyer' program developed by the Office of the Industry Advocate brings together local businesses and senior Government project and contract managers.

This unique event gives an appreciation of both State and Local Government buying across the entire Limestone Coast, providing businesses with the opportunity to gain a better understanding of public sector procurement and proposed projects in the region.

Don't miss this opportunity to meet with, and promote your business to representatives from key State Government agencies and Local Councils.
